Topics:
In this course you will learn the basic study of the bassoon. We will be focusing on essential skills such as breathing, fingering, tonguing and embouchure. There will be an emphasis on learning major scales up to two sharps and flats. All aspects of playing the bassoon will be discussed.

Students will be given theoretical study in making and adjusting reeds. Instrument suitability for beginners will be investigated. Bassoon methods, literature, fingering charts and related reading will be examined. Simple bassoon repair and maintenance will be demonstrated, as well as regulation of the mechanism. Classes will be held in masterclass style.

Required Material:
Your bassoon! (pick it up BEFORE YOUR FIRST CLASS from Len Ingrao’s office)
Weissenborn Bassoon Method – Available in the CBO

At three days prior to the deadline for withdrawal from a course without academic penalty, students will receive assessment of work accounting for at least 15% of their final grade. For 3000- or 4000-level courses in which such a graded assessment is impracticable, the instructor(s) must obtain an exemption from this policy from the Dean and this exemption must be noted on the corresponding course syllabus. In rare instances and at the Dean’s discretion, other courses could receive a similar exemption, which also must be noted in the course syllabus. Deans should review exemptions on a course-by-course basis each time an exempted course is offered. http://www.uwo.ca/univsec/pdf/academic_policies/exam/evaluation_undergrad.pdf

Dates are listed in the Academic Calendar, 2018-19, at http://www.westerncalendar.uwo.ca/SessionalDates.cfm?SelectedCalendar=Live&ArchiveID=

Any course-specific conditions that are required to pass the course must be outlined. Conditions might include (i) minimum attendance at lectures, tutorials or laboratories, (ii) minimum overall grade on laboratory, tutorial or essay components of the methods of evaluation, or (iii) minimum required grades on a final exam, to name a few.

The policy of the University shall be that departments (or faculties where applicable) ensure that, wherever possible, final grades in courses under their aegis are derived largely from documented evidence demonstrating academic achievement, i.e., written or practical examinations, essays, reports, problem assignments. This shall not preclude the use of oral examinations as part of the evaluative process.

Attendance Policy
An unexcused absence will result in a loss of 2 marks from the attendance component of your overall evaluation (i.e., one unexcused absence equals 2 out of 10). Failure to appear for a scheduled exam session (without documented medical evidence) will result in a mark of zero for that test/exam. Students with 4 or more unexcused absences will be referred to the Chair of the Department and will be in jeopardy of failing the course.

Absences will be excused only if:

1) Student is involved in official UWO business that has been approved by the chair or the instructor;
2) Documented Family issue;
3) Documented family or personal illness.

Tardiness
Arriving late for two classes is equivalent to one unexcused absence.

ELECTRONIC DEVICES
No electronic devices are allowed in class during quizzes, tests and examinations.

PREREQUISITES
Unless you have either the requisites for this course or written special permission from your Dean
to enroll in it, you will be removed from this course and it will be deleted from your record. This decision may not be appealed. You will receive no adjustment to your fees in the event that you are dropped from a course for failing to have the necessary prerequisites.

SCHOLASTIC OFFENCES
Scholastic offences are taken seriously and students are directed to read the appropriate policy, specifically, the definition of what constitutes a Scholastic Offense, at the following website: http://www.uwo.ca/univsec/pdf/academic_policies/appeals/scholastic_discipline_undergrad.pdf

ACCOMMODATIONS FOR MEDICAL ILLNESS The Policy on Accommodation for Medical Illness may be found at http://www.uwo.ca/univsec/pdf/academic_policies/appeals/accommodation_medical.pdf

MENTAL HEALTH
Students who are in emotional/mental distress should refer to Mental Health@Western http://www.uwo.ca/uwocom/mentalhealth/ for a complete list of options about how to obtain help.
