- Please note that I will expect to see a word for word translation of every piece that we work in Studio (before we begin the work).

- You are encouraged to study the International Phonetic Alphabet (IPA) in order to facilitate growth in language pronunciation development.

- If you are an undergrad you will receive a “Recital Card” which requires you to attend 12 vocal events/recitals per year and have the card signed by a faculty member at the recital. I also require you to write at least four 200 word reviews of your choice of these events. These could be master classes by visiting teachers, student recitals, class recitals, or any other vocal performances. If you go to a performance outside the Faculty and show me a program I sign the card.

- I expect all recital material to be memorized at least 6 weeks before the event and all jury material at least 5 weeks before the jury.

- **You are expected to be off book** for all performance/master classes and repertoire sessions. This is the only way meaningful coaching can take place.

- **GRADING:** Please read the Voice Jury/Recital Requirements document and the Department of Performance Studies Handbook

- Your grading will be calculated in the following manner

  Undergraduate: 50% studio work
  10% performance/masterclass
  40% Jury

  Graduate: 80% studio work
  20% performance/masterclass

- Minimum expectations regarding Undergraduate Repertoire

  First Year - 16 songs fully prepared and memorized
  Second 20 songs
  Third Short Recital plus 10 songs
  Fourth Full Recital plus at least 10 songs

- Repertoire for Graduate students should reflect their expectations at success in singing.

- If you have questions or concerns regarding this document please speak to me at any time.
