Course Description
Welcome to Chorale 2019-2020! This mixed choir prepares and presents in concert a wide variety of historical and contemporary choral repertoire. Placement in this ensemble is based on audition each fall. As Western’s largest mixed choir, Chorale has a longstanding tradition of excellence in performance here at the Don Wright Faculty of Music, and provides a supportive and collegial environment for developing your individual and ensemble singing skills.

Learning Outcomes
Through weekly rehearsals, students will be introduced to and develop healthy ensemble singing technique, sight-singing skills, ensemble listening and intonation skills, choral rehearsal skills, and a working knowledge of vocal diction. Through several performances each year, students will develop confidence, independence, and presence as individual and ensemble singers, and offer vibrant performances to our Western and London communities.

Evaluation and Expectations
You are expected to arrive to rehearsals punctually and prepared, work collegially with your fellow choristers, demonstrate leadership and self-initiative within your section, and practice on your own to ensure your own preparation. In addition, the conductor may periodically assign and check for translations and markings in your score, or schedule individual or group note checks during class time.

It is understood that there are a lot of demands on students’ time and physical and mental well-being as part of a music training program. Your conductors are here to support you! If you need to be on voice rest for a rehearsal due to illness or extenuating circumstances, speak to your conductor at the start of that rehearsal. More lengthy periods of voice rest warrant a longer conversation outside of class. Students who are well enough to attend other classes are expected to attend rehearsal as well. If you are too sick to sing, you can still sit at the back, listen, take notes, and support your peers.
Your attendance and preparation for each rehearsal and performance is the primary method of assessment. Full attendance at all our events for the season is required for credit (see Schedule, Attendance, and Accommodation sections below). At the end of the year, students will be given a pass/fail grade for the course.

Music Sign-out

Choristers are responsible for signing out a folder of music for each term from the CBO library in Talbot College. Music must be returned in good condition at the end of each term to the CBO Library. Please take care to mark your music lightly, and with pencil only! You may wish to consider making copies of originals to ensure their safe return to the CBO, and to allow you to make whatever markings you may wish without worry. Students will be financially responsible for replacing any music not returned to the CBO.
Participation and Attendance
From the performance department...
“Large Ensemble rehearsals are not like other classes but rather like a professional service. Extra dress rehearsals are scheduled before each concert and performances are held in addition to rehearsal schedules. Attendance at all rehearsals and performances is mandatory.

Punctuality is imperative for all rehearsals and performances. Three tardy arrivals will be considered equivalent to an absence. Perfect attendance and active participation are required to obtain course credit. Should a student miss more than two rehearsals for unvalidated reasons over the course of the year, they would be in jeopardy of losing their ensemble credit. This will be assessed on a case by case basis by the conductor and the Chair of the Performance Studies Department. Absence from performances or rehearsal(s) may result in the loss of your position in the choir and/or loss of ensemble credit. Attendance at dress rehearsal is mandatory for participation in the concert. Notify the conductor of all absences with as much advance notice as possible. Attendance will be taken at all rehearsals.”

Accommodation for Illness, Disability, and Validated Absence
Students should consult the university’s policy on academic consideration for absences, found here:

https://www.uwo.ca/univsec/pdf/academic_policies/appeals/Academic_Consideration_for_absences.pdf

Students are permitted to self-report up to two short (up to 48 hour) absences between September and April due to unexpected illness or extenuating circumstance without documentation. Students must report their absence using the online portal. Any absences should be immediately discussed with the course instructor within 24 hours of the student’s return to class, or preferably before an anticipated absence. Any absences which do not qualify for self reporting require a medical certificate. Provided the university policy has been met, the absence will be considered valid and will not impact a student’s standing in the course.

Students with ongoing medical or mental health concerns should take appropriate measures with Student Accessibility Services to document their accessibility needs and accommodations, and speak to their professor as necessary. The university policy is found here:
http://www.westerncalendar.uwo.ca/PolicyPages.cfm?Command=showCategory&PolicyCategoryID=1&SelectedCalendar=Live&ArchiveID=#Page_10
**Statement on Academic Offenses**

University Policy: “Scholastic offences are taken seriously and students are directed to read the appropriate policy, specifically, the definition of what constitutes a Scholastic Offence, as found at:

http://www.uwo.ca/univsec/pdf/academic_policies/appeals/scholastic_discipline_undergrad.pdf

**Assumption of Risk and Media Release Forms**

In order to attend off campus concerts/events associated with choir this season, all singers are required to fill out an assumption of risk form. These forms will be distributed as required by the instructor.

Publicity photos may be taken at concerts and rehearsals this year. Students will be asked to fill out a media release form prior to any photo sessions. In addition, all performances are video and audio recorded for archival purposes, and some video and audio may be used for promotional purposes. Again, students will be asked to fill out a media release form prior to any online distribution of video content.

**Statement on Mental Health**

“Students that are in emotional/mental distress should refer to Mental Health@Western https://www.uwo.ca/health/mental_wellbeing/ for a complete list of options about how to obtain help.”

**Statement on Technology Use in Class**

Phones, laptops, and other electronic devices are not to be used in class.
