COURSE DESCRIPTION
An understanding of classical ballet technique will be developed through an in-depth study of body line, posture and weight placement, the coordinated use of arms and eyeline, and the relationship between musicality and dynamics of movement. Sessions will be rigorous ballet classes where the foundations of techniques and movement combinations are discussed as part of the class. Active physical participation is required. Prerequisite: Dance 2275A/B or Permission of the Faculty (obtained by instructor’s evaluation of provided dance background).

Note: “Unless you have either the requisites for this course or written special permission from your Dean to enrol in it, you may be removed from this course and it will be deleted from your record. This decision may not be appealed. You will receive no adjustment to your fees in the event that you are dropped from a course for failing to have the necessary prerequisites.”

The OWL platform will be used for posting of all recorded sessions, course information, lecture notes and announcements. OWL will also be used for tests and submission of assignments, if required by restrictions.

COURSE OBJECTIVES
1. Develop awareness of body line by examining the relationship between body alignment, weight placement and eye focus.
2. Study musicality by examining the integration of music and the dynamics of movement.
3. Consider and understand factors that limit or allow skill progression.
4. Study and acquire ballet and musical terminology.
5. Develop teaching techniques by using clear explanations as well as appropriate dance and musical terminology.

COURSE FORMAT
Half course. 6 hours lecture/lab. Mondays, Wednesdays, Fridays: 10:30 a.m. – 12:30 p.m.
This course will follow the format of a traditional ballet class augmented by lectures where technique and theory are developed simultaneously. The rate of progression will, to some extent, be dictated by the abilities of the class members.

ATTENDANCE
This course involves the development of personal technique which makes attendance in class essential for success; attendance is mandatory. If unable to attend a scheduled in-class session, students are “expected to contact the instructor by email in advance when possible or within 24 hours following an absence in order to set up a time to discuss next steps for attending or completing work”. Unexplained absences could result in a reduction in your participation grade. Where physical participation might be limited due to an extended illness or injury, students are expected to observe the class when possible and complete supplemental assignments as required. Punctuality is important for proper warm-up and injury prevention. Active physical participation is required.

REQUIRED DRESS
Form-fitting dancewear/clothing and soft leather or canvas ballet shoes are required. No midriffs. Long hair must be tied back out of the way of face and neck: preference is up in a bun. Warm-up clothing may be worn over required dance clothes at beginning of class but should be removed when necessary. No jewellery to be worn that poses a danger to you or your fellow dancers (anything that hangs, is loose, or has sharp edges).

**Electronic Devices in Classroom/Tests:** The in-class use of electronic devices in class (other than for instructor-approved in-class uses) and tests (unless required for accessibility reasons based on an approved accommodation request from Accessible Education) is expressly prohibited. Students found guilty of disrupting the class with electronic devices will be asked to leave the class and may be subject to disciplinary measures under the Code of Student Conduct. **All cell phones are to be turned off or silenced during class.**
**Academic Offences:** Submission of work with which you have received help from someone else (other than the course instructor or TA) is an example of plagiarism, which is considered a major academic offence. Scholastic offences are taken seriously and students are directed to read the appropriate policy, specifically, the definition of what constitutes a Scholastic Offence, as found at: [http://www.uwo.ca/univsec/pdf/academic_policies/appeals/scholastic_discipline_undergrad.pdf](http://www.uwo.ca/univsec/pdf/academic_policies/appeals/scholastic_discipline_undergrad.pdf)

**Mental Health & Wellness:** Students that are in emotional/mental distress should refer to the Health and Wellness at Western page ([https://www.uwo.ca/health/](https://www.uwo.ca/health/)) for a complete list of options about how to obtain help or to go to the Wellness Education Centre located in UCC room 76. **Students in crisis in need of immediate care are directed to go directly to Student Health Services in UC11 or to click on the green “I Need Help Now” button on the Health and Wellness page above.**

**Accommodation for Students with Disabilities:** Students work with Accessible Education Western (AEW, formerly SSD) which provides recommendations for accommodation based on medical documentation or psychological and cognitive testing. The accommodation policy can be found here: [https://www.uwo.ca/univsec/pdf/academic_policies/appeals/Academic%20Accommodation_disabilities.pdf](https://www.uwo.ca/univsec/pdf/academic_policies/appeals/Academic%20Accommodation_disabilities.pdf)

To connect with a case manager or set up an appointment, please contact support@uwo.ca or call 519 661-3568.

**Academic Consideration for Student Absence & Missing Work (≥10%):** Students are responsible for making up any missed classes or assignments as soon as possible. The University recognizes that a student’s ability to meet their academic responsibilities may, on occasion, be impaired by medical illness. Illness may be acute (short term), or it may be chronic (long term), or chronic with acute episodes. The University further recognizes that medical situations are deeply personal and respects the need for privacy and confidentiality in these matters. However, in order to ensure fairness and consistency for all students, academic accommodation for work representing 10% or more of the student’s overall grade in the course shall be granted only in those cases where there is documentation indicating that the student was seriously affected by illness and could not reasonably be expected to meet their academic responsibilities.

Documentation shall be submitted, as soon as possible, to the Office of the Associate Dean, Undergraduate (TC210), together with a request for relief specifying the nature of the accommodation being requested. Students are directed to read the Senate policy on accommodation for medical illness at the following website for further details regarding requirements and procedures for the supporting documentation: [https://www.uwo.ca/univsec/pdf/academic_policies/appeals/accommodation_medical.pdf](https://www.uwo.ca/univsec/pdf/academic_policies/appeals/accommodation_medical.pdf)

Whenever possible, students who require academic accommodation should provide notification and documentation in advance of due dates, examinations, etc. Students must follow up with their professors and their Academic Counselling office in a timely manner.

**Academic Consideration for Missing Work (<10%):** In cases where students miss work that is worth less than 10% of the total course grade (i.e. two or fewer assignments) due to medical illness or compassionate grounds, if documentation is voluntarily submitted to the Associate Dean’s office and the Associate Dean grants an accommodation, then the missed assignment(s) or quiz(zes) will be discounted in the calculation of the final grade for the course. If documentation is not voluntarily submitted then the missed assignment(s) will receive a grade of zero. Students who have been denied accommodation by an instructor may appeal this decision to the Associate Dean’s office but will be required to present appropriate documentation.
Contingency Plan: Although the intent is for this course to be delivered in-person, the changing COVID-19 restrictions may necessitate some or all of the course to be delivered online, either synchronously (i.e., at the times indicated in the timetable) or asynchronously (e.g., posted on OWL for students to view at their convenience). The grading scheme will not change. Any assessments affected will be conducted online as determined by the course instructor.
