There is a vocal component in the course consisting of vocal warm up and singing with movement and dance.

**EVALUATION / ATTENDANCE**

This course involves the development of personal technique, which makes attendance in class essential for success. **Attendance is mandatory.**

Where physical participation might be limited due to extended illness or injury, students are expected to observe the class and present a summary as assigned by the instructor. Consideration for extended absence from physical participation will require a note from a physician. This situation could result in the student having to withdraw from the course. Punctuality is important for proper warm up and injury prevention.

50% **DAILY CLASSROOM WORK**

Evaluation will be based on the ability to apply material presented in class.

10% **WRITTEN ASSIGNMENTS/QUIZZES.**

20% **RESEARCH PAPER**

Students will present a written researched assignment on a specific aspect of dance i.e. a musical theatre production, a choreographer or choreography with respect to the development of the subject within history and/or the socio-economic background of the time.

OR the student's own area of study linked specifically to dance, dance research or theatre.

Specific guidelines and expectations will be outlined by the instructor.

20% **FINAL SOLO PERFORMANCE PRESENTATION**

Specific type, style and content considerations that must be included in the construction and presentation of each student's solo will be set in consultation with the instructor.

Evaluation will include:

5% Prepared discussion summary and outline detailing the important areas of note i.e. specific technical and performance challenges included in style, music, period etc. Any changes made before the final presentation must be in consultation with the instructor.

15% Solo presentation showing:

- technical skills
- ability to perform and project the chosen type and style
- ability to relate the characterization and music of the chosen type and style showing musicality and
rhythmical interest.
-ability to show attention to detail, polish and confidence in the performance.

The final Solo Presentation must be the student's own work developed out of the course content and learning or linked to the research gained from the written paper. It will not be acceptable to present choreography from outside sources previously performed at other events. Any specific choreography shown from established choreographers studied in the course or viewed on stage, movies or internet should be acknowledged in the prepared outline.

**i) Course Prerequisites: 2476B.**
Unless you have either the prerequisites for this course or written special permission from your Dean to enroll in it, you may be removed from this course and it will be deleted from your record. The decision may not be appealed. You will received no adjustment to your fees in the event that you are dropped from a course for failing to have necessary prerequisites

**ii) Grading Scale:**

A+=90-100%, A=80-89%, B=70-79%, C=60-69%, D=50-59%, F=0-49

**iii) Academic Consideration for Student Absence & Missing Work(>10%):**
Students are responsible for making up any missed classes or assignments as soon as possible. The University recognizes that a student's ability to meet their academic responsibilities may, on occasion be impaired by medical illness. Illness may be acute (short term), or chronic (long term), or chronic with acute episodes. The University further recognizes that medical situations are deeply personal and respects the need for privacy and confidentiality in these matters. However, in order to ensure fairness and consistency for all students, accommodation for work representing 10% or more of the student's overall grade in the course shall be granted only in those cases where there is documentation indicating that the student was seriously affected by the illness and could not reasonably be expected to meet their academic responsibilities.

Documentation shall be submitted, as soon as possible, to the Office of the Associate Dean, Undergraduate (TC210), together with a request for relief specifying the nature of the accommodation being requested. Students are directed to read the Senate policy on accommodation for medical illness at the following website for further details regarding requirements and procedures for the supporting documentation:

http://www.uwo.ca/univsec/pdf/academic_policies/appeals/accommodation_medical.pdf

Whenever possible, students who require academic accommodation should provide notification and documentation in advance of due dates, examinations, etc. Students must follow up with their professors and their Academic Counselling office in a timely manner.
iv) **Academic Consideration for Missing Work: (<10%)**
In cases where students miss work that is worth less than 10% of the total course grade (i.e. two or fewer assignments) due to medical illness or compassionate grounds, if documentation is voluntarily submitted to the Associate Dean's office and the Associate Dean grants an accommodation, then the missed assignment(s) or quiz(zenes) will be discounted in the calculation of the final grade for the course. If documentation is not voluntarily submitted then the missed assignment(s) will receive a grade of zero. Students who have been denied accommodation by an instructor may appeal this decision to the Associate Dean's office but will be required to present appropriate documentation.

v) **Academic Offences**: Submission of work with which you have received help from someone else (other than the course instructor or TA) is an example of plagiarism, which is considered a major academic offence. Scholastic offences are taken seriously and students are directed to read the appropriate policy, specifically, the definition of what constitutes a Scholastic Offence, as found at: [http://www.uwo.ca/univsec/pdf/academic_policies/appeals/scholastic_discipline_undergrad.pdf](http://www.uwo.ca/univsec/pdf/academic_policies/appeals/scholastic_discipline_undergrad.pdf)

vi) **Mental Health & Wellness**: Students that are in emotional/mental distress should refer to the Health and Wellness at Western page ([https://www.uwo.ca/health/](https://www.uwo.ca/health/)) for a complete list of options about how to obtain help or to go to the Wellness Education Centre located in UCC room 76. **Students in crisis in need of immediate care are directed to go directly to Student Health Services in UC11 or to click on the green “I Need Help Now” button on the Health and Wellness page above.**

vii) **Accommodation for Students with Disabilities**: Students work with Accessible Education Western (AEW, formerly SSD) which provides recommendations for accommodation based on medical documentation or psychological and cognitive testing. The accommodation policy can be found here: [https://www.uwo.ca/univsec/pdf/academic_policies/appeals/Academic%20Accommodation_disabilities.pdf](https://www.uwo.ca/univsec/pdf/academic_policies/appeals/Academic%20Accommodation_disabilities.pdf)

The grading scheme will **not** change. Any assessments affected will be conducted online as determined by the course instructor.
