Grading System can be found under “Undergraduate Grading” at:

Accommodation for Medical Illness

In order to ensure fairness and consistency for all students, academic accommodation for work representing more than 30% of the student’s overall grade in the course shall be granted only in those cases where there is documentation in the form of a completed and appropriately signed Student Medical Certificate (SMC) indicating that the student was seriously affected by illness and could not reasonably be expected to meet his/her academic responsibilities, or the equivalent documentation for non-medical or compassionate grounds.

Students seeking academic consideration must communicate with their instructors no later than 24 hours after the end of the period covered by either the self-reported absence or SMC, or immediately upon their return following a documented absence, to clarify how they will be expected to fulfil the academic expectations they may have missed during the absence. Documentation, if required, shall be submitted to the Office of the Associate Dean, Undergraduate (TC210).

Note that the new Self-Reporting Absence Portal may not be used for requesting academic relief for work worth more than 30%, or for juries scheduled during the official examination period.

Scholastic Offence

Scholastic offences are taken seriously and students are directed to read the appropriate policy, specifically, the definition of what constitutes a Scholastic Offence, as found at:

Mental Health

Students that are in emotional/mental distress should refer to Mental Health@Western https://www.uwo.ca/health/mental_wellbeing/ for a complete list of options about how to obtain help.
Pre-requisites

Students should note the following Senate regulation for ensuring that course prerequisites have been completed successfully or special permission from the Dean obtained: “Unless you have either the requisites for this course or written special permission from your Dean to enrol in it, you may be removed from this course and it will be deleted from your record. This decision may not be appealed. You will receive no adjustment to your fees in the event that you are dropped from a course for failing to have the necessary prerequisites.”
