Dean's Welcome

Welcome to the 2022-23 concert season!

We are thrilled beyond measure to invite you back to our halls to enjoy live music in person once again.

From outstanding student performances to the impressive talents of world-class faculty and guest artists, this promises to be a year of rejuvenation for us all. I am exceptionally proud to lead the Don Wright Faculty of Music during this exciting time for London, having recently been designated Canada's first and only UNESCO City of Music.

We encourage you to sign up for our events email for season updates. In addition to important scheduling changes, you will receive notice of additional concerts and special events planned throughout the year, including 150+ individual and chamber music student recitals.

After two years of limited public access, we know more than ever our community is strengthened by your presence. Thank you for your continued support.
