Patterns on the Snow
*text by May Sarton*

Lose the pain in the snow
Where all footsteps melt
And the magic trance
Bids you rise and follow
Forgetting all you felt
Except the dance, except the dance.

Lose the pain in the love
Where all being flows
Though the step is intricate
Still as through the dance you move
Silently the pattern grows
To include, not to reject.

Lose the pain in the living
Where the self however haunted
Dances on because it must,
All forgiving, all forgiving.

Lose again all that you wanted
Except trust, except trust.

Lose the pain in the faith
Gladly as the dance grows graver,
Love and living both let go,
Love and pain be danced to death
Let the dancer never waver
Drawing patterns on the snow.

Wandl' ich in dem Wald des Abends
*text by Heinrich Heine*

Wandl' ich in dem Wald des Abends,
In dem träumerischen Wald,
Immer wandelt mir zur Seite
Deine zärtliche Gestalt.

Ist es nicht dein weißer Schleier?
Nicht dein sanftes Angesicht?
Oder ist es nur der Mondschein,
Der durch Tannendunkel bricht?

Sind es meine eignen Tränen
Die ich leise rinnen hör'?
Oder gehst du, Liebste, wirklich
Weinend neben mir einher?

I walk in the forest in the evening
In the dreamy forest
Always walking next to me
Your tender figure.

Is it not your white veil?
Is it not your gentle face?
Or is it just the moonlight
That breaks through the dark of the fir trees?

Are these my own tears
Which I hear quietly streaming down?
Or is it really you, dearest,
Crying next to me?

Ave maris stella
*text: Medieval Latin hymn*

Ave, maris stella,
Dei mater alma,
atque semper virgo,
felix coeli porta.

Sumens illud Ave
Gabrielis ore,
funda nos in pace,
mutans Evæ nomen.

Solve vincla reis,
profer lumen cæcis,

Hail, star of the sea,
Nurturing Mother of God,
And ever Virgin
Happy gate of Heaven

Receiving that hail
From the mouth of Gabriel,
Establish us in peace,
Transforming the name of Eve.

Loosen the chains of the guilty,
Send forth light to the blind,
mala nostra pelle,  
bona cuncta posce.  

Monstra te esse matrem,  
sumat per te precem  
qui pro nobis natus  
tulist esse tuus.  

Virgo singularis,  
inter omnes mitis,  
os culpis solutos  
mites fac et castos.  

Vitam præsta puram,  
iter para tutum,  
ut videntes Jesum  
semper collætemur.  

Sit laus Deo Patri,  
summo Christo decus,  
Spiritui Sancto  
tribus honor unus. Amen.  

Our evil do thou dispel,  
Entreat for us all good things.  

Show thyself to be a Mother:  
Through thee may he receive prayer  
Who, being born for us,  
Undertook to be thine own.  

O unique Virgin,  
Meek above all others,  
Make us, set free from our sins,  
Meek and chaste.  

Bestow a pure life,  
Prepare a safe way:  
That seeing Jesus,  
We may ever rejoice.  

Praise be to God the Father,  
To the Most High Christ be glory,  
To the Holy Spirit  
Be honour, to the Three equally. Amen.  

**Darkness**  
*text: excerpt from New Zealand Prayer Book*  

The night is dark,  
Let our fears of the darkness  
Rest in you.  

The night is quiet,  
Let the quietness of your peace enfold us,  
All dear to us,  
And all who have no peace.

**The Moon is distant from the Sea**  
*text by Emily Dickinson*  

The Moon is distant from the Sea –  
And yet, with Amber Hands –  
She leads Him – docile as a Boy –  
Along appointed Sands –  

He never misses a Degree –  
Obedient to Her eye –  
He comes just so far – toward the Town –  
Just so far – goes away –  

Oh, Signor, Thine, the Amber Hand –  
And mine – the distant Sea –  
Obedient to the least command  
Thine eye impose on me –
Halleluya

text: Psalm 150

1 Hallelujah.
Praise God in His sanctuary; praise Him in the firmament of His power.

2 Praise Him for His mighty acts; praise Him according to His abundant greatness.

3 Praise Him with the blast of the horn; praise Him with the psaltery and harp.

4 Praise Him with the timbrel and dance; praise Him with stringed instruments and the pipe.

5 Praise Him with the loud-sounding cymbals; praise Him with the clanging cymbals.

6 Let every thing that hath breath praise the Lord. Hallelujah.

In the Middle

text by Barbara Crooker, from Radiance

of a life that’s as complicated as everyone else’s, struggling for balance, juggling time.
The mantle clock that was my grandfather’s has stopped at 9:20; we haven’t had time to get it repaired. The brass pendulum is still, the chimes don’t ring. One day I look out the window, green summer, the next, the leaves have already fallen, and a grey sky lowers the horizon. Our children almost grown, our parents gone, it happened so fast. Each day, we must learn again how to love, between morning’s quick coffee and evening’s slow return. Steam from a pot of soup rises, mixing with the yeasty smell of baking bread. Our bodies twine, and the big black dog pushes his great head between; his tail, a metronome, 3/4 time. We’ll never get there, Time is always ahead of us, running down the beach, urging us on faster, faster, but sometimes we take off our watches, sometimes we lie in the hammock, caught between the mesh of rope and the net of stars, suspended, tangled up in love, running out of time.
When Dawn Shines

text by Justin Zadorsky

When dawn shines, worry not your minds. For, when the sun shines bright, at last I shall master this fight. Quiet now your hearts, and please no tears. Now is the ending of my part, as the light throws down all fears. Tonight you watch in mournful sadness but, when the sun shines, my spirit will renew its gladness; when dawn shines.

The Word was God

text: John 1:1-3

In the beginning was the Word, and the Word was with God, and the Word was God. All things were made by him; and without him was not any thing made that was made.

The same was in the beginning with God.

St. Cecilia Singers

The Rose

text by Christina Rossetti

The lily has a smooth stalk, will never hurt your hand; But the rose upon her briar is lady of the land. When with moss and honey she tips her bending briar, And half unfolds her glowing heart. There's sweetness in an apple tree, And profit in the corn; But lady of all beauty is a rose upon a thorn. When with moss and honey she tips her bending briar, And half unfolds her glowing heart, she sets the world on fire.

Tyger

text by William Blake

Tyger Tyger, burning bright, in the forests of the night, What immortal hand or eye, could frame thy fearful symmetry? In what distant deeps or skies, burnt the fire of thine eyes? On what wings dare he aspire? What the hand, dare seize the fire? What the hammer? what the chain, in what furnace was thy brain? What the anvil? what dread grasp, Dare its deadly terrors clasp! When the stars threw down their spears and water’d heaven with their tears: Did he smile his work to see? Did he who made the Lamb make thee? Tyger Tyger burning bright, in the forests of the night, What immortal hand or eye, Dare frame thy fearful symmetry? Tyger Tyger!

Cantemus

text by Lajos Bárdos

Just sing, because a song is a very good thing! Just sing, because a song is in your heart!
**O Pastorelle Addio**  
*text by Luigi Illica*

Oh shepherdesses! Farewell! We are moving towards unknown and strange shores!  
Tomorrow we will leave and abandon this place. The heart will not be joyful until its return.

**1000 Beautiful Things**  
*text by Annie Lennox*

Every day I write the list of reasons why I still believe they do exist  
A thousand beautiful things  
And even though it's hard to see the glass is full and not half empty  
A thousand beautiful things  
So, light me up like the sun to cool down with your rain  
I never want to close my eyes again, never close my eyes  
I thank you for the air to breathe, the heart to beat, the eyes to see again  
And all the things that's been and done the battles won the good and bad in everyone  
So, here I go again, Singin' by your window,  
Pickin' up the pieces of what's left to find, Alleluia.  
The world was meant for you and me to figure out our destiny  
To live, to die, to breathe, to sleep, to try to make your life complete,  
Yes! Light me up like the sun, to cool down with your rain,  
I never want to close my eyes again, won't close my eyes,  
That's all I have to say…

**Chorale**

**Bright Morning Stars**

- Bright morning stars are rising  
- Day is a-breaking in my soul  
- Oh, where are our dear fathers?  
- Day is a-breaking in my soul  
- Some are down in the valley praying  
- Day is a-breaking in my soul

**Ночевала туча золотая**  
*text by Mikhail Lermontov*

Ночевала туча золотая  
На груди утеса-великан;  
Утром в путь она умчалась рано,  
По лазури весело играя;  
Но остался влажный след в морщине  
Старого утеса. Одиноко  
Он стоит, задумался глубоко,  
И тихонько плачет он в пустыне.

---

A little golden cloud slumbered all night  
Upon the breast of a giant crag;  
In the early morning it arose  
And playfully wandered the path of the azure sky;  
But a trace of dew remained in a wrinkle of the old crag. Alone  
he stands, pondering deeply,  
And silently weeps in the wilderness.
Non nobis, Domine
*text: Psalm 113:9*

Non nobis, Domine, non nobis,
sed nomine tuo da gloriam.

Not unto us, O Lord, not unto us,
But unto your name give glory.

And So It Goes
*text by Billy Joel*

In every heart there is a room
A sanctuary safe and strong
To heal the wounds from lovers past
Until a new one comes along

But if my silence made you leave
Then that would be my worst mistake
So I will share this room with you
And you can have this heart to break

I spoke to you in cautious tones
You answered me with no pretense
And still I feel I said too much
My silence is my self defense

And this is why my eyes are closed
It's just as well for all I've seen
And so it goes, and so it goes
And you're the only one who knows

And every time I've held a rose
It seems I only felt the thorns
And so it goes, and so it goes
And so will you, soon, I suppose

So I would choose to be with you
That's if the choice were mine to make
But you can make decisions too
And you can have this heart to break

And so it goes, and so it goes
And you're the only one who knows
