IMPORTANT UWO POLICIES regarding ATTENDANCE and ASSIGNMENTS

The Graduate Program in Music recognizes that a student’s ability to meet his/her academic responsibilities may sometimes be impaired by physical or mental illness. Illness may be acute (short term), or it may be chronic (long term), or chronic with acute episodes. The Graduate Program in Music further recognizes that physical or mental illness situations are deeply personal, and respects the need for privacy and confidentiality in these matters. In order to ensure fairness and consistency for all students, academic accommodation for work representing 10% or more of the student’s overall grade in the course shall be granted only in those cases where there is documentation indicating that the student was seriously affected by illness and could not reasonably be expected to meet his/her academic responsibilities.

Documentation shall be submitted, as soon as possible, to the office of the Associate Dean (Graduate Studies), not to the course instructor.  
https://www.uwo.ca/univsec/pdf/academic_policies/appeals/accommodation_illness.pdf

As part of a successful graduate student experience at Western, we encourage students to make their health and wellness a priority. Western provides several on-campus health-related services to help students achieve optimum health and engage in healthy living while pursuing a graduate degree. Students seeking help regarding mental health concerns are advised to speak to someone in whom they feel comfortable confiding, such as a faculty supervisor, a program advisor, or the Associate Dean (Graduate Studies). Campus mental health resources may be found at: http://www.health.uwo.ca/mental_health/resources.html

Students may be excused to observe a religious holy day of their faith without penalty provided they notify the Professor in advance. Students are responsible for material covered in their absence and each student shall be permitted a reasonable amount of time to make up missed work (in the case of this course, up to ten days).

Students with special learning needs or other circumstances are asked to inform the instructor as soon as possible so that necessary accommodations can be considered.

Plagiarism: Complete your assignments independently. Submission of work with which you have received help from someone else other than the TA or Professor is an example of plagiarism, which is a major academic offence. Furthermore, you won’t learn anything!!

Scholastic offences are taken seriously. The definition of such is found here: https://www.uwo.ca/univsec/pdf/academic_policies/appeals/scholastic_discipline_grad.pdf
