i) Enrollment Restrictions: Enrollment in this course is restricted to graduate students in Performance, as well as any student who has obtained special permission to enroll in this course from the course instructor as well as the Graduate Chair (or equivalent) from the student's home program.

ii) Statement on Academic Offences: Scholastic offences are taken seriously and students are directed to read the appropriate policy, specifically, the definition of what constitutes a Scholastic offence, as found [here](#)

iii) Statement on Health and Wellness: Students who are in emotional/mental distress should refer to [Mental Health@Western](#) for a complete list of options about how to obtain help.

iv) Statement on Accommodation for Medical Illness (adapted from the [Senate policy on Academic Consideration for Student Absences–Undergraduates](#)): The Graduate Program in Music recognizes that a student's ability to meet his/her academic responsibilities may, on occasion, be impaired by illness or injury. In order to ensure fairness and consistency for all students, academic accommodation for work representing 10% or more of the student's course grade shall be granted only in those cases where there is documentation indicating that the student was seriously affected and could not reasonably be expected to meet his/her academic responsibilities. Documentation shall be submitted, as soon as possible, to the office of the Associate Dean (Graduate Studies), not to the course instructor.

Students with special learning needs or other circumstances are asked to inform the instructor as soon as possible so that necessary accommodations can be considered.

v) Accessible Education Western (AEW): Western is committed to achieving barrier-free accessibility for all its members, including graduate students. As part of this commitment, Western provides a variety of services devoted to promoting, advocating, and accommodating persons with disabilities in their respective graduate program.

Graduate students with disabilities (for example, chronic illnesses, mental health conditions, mobility impairments) are strongly encouraged to register with Accessible Education Western (AEW), a confidential service designed to support graduate and undergraduate students through their academic program. With the appropriate documentation, the student will work with both AEW and their graduate programs (normally their Graduate Chair and/or Course instructor) to ensure that appropriate academic accommodations to program requirements are arranged. These accommodations include individual counselling, alternative formatted literature, accessible campus transportation, learning strategy instruction, writing exams and assistive technology instruction.
