## **UNIVERSITY POLICIES**

### **i) Graduate - Accommodation on Medical or Compassionate Grounds**

The Graduate Program in Music recognizes that a student's ability to fulfill academic responsibilities may, on occasion, be impaired by illness or injury. To ensure fairness and consistency for all students, academic accommodation for work representing 10% or more of the student's course grade shall be granted only in cases where there is documentation indicating that the student could not reasonably be expected to meet the academic responsibilities. Documentation shall be submitted, as soon as possible, to the office of the Associate Dean (Graduate Studies), not to the course instructor. Students with special learning needs or other circumstances are asked to inform the instructor as soon as possible so that necessary accommodations can be considered.

### **ii) Graduate – Grading Scale**

A=80-100 %, B=70-79 %, C=60-69 %, F: 0-59 %

Graduate students fail a course if they receive a grade less than 60%

### **v) Graduate - Scholastic Offences**

Scholastic offences are taken seriously, and students are directed to read the appropriate policy, specifically, the definition of what constitutes a Scholastic Offence, as found at:

[https://www.uwo.ca/univsec/pdf/academic\\_policies/appeals/scholastic\\_discipline\\_grad.pdf](https://www.uwo.ca/univsec/pdf/academic_policies/appeals/scholastic_discipline_grad.pdf)

### **vi) Graduate - Mental Health and Wellness**

Students who are in emotional/mental distress should refer to Mental Health Support at <https://www.uwo.ca/health/psych/index.html> for a complete list of options about how to obtain help.

### **vii) Graduate - Accessible Education Western**

Western is committed to achieving barrier-free accessibility for all its members, including graduate students. As part of this commitment, Western provides a variety of services devoted to promoting, advocating, and accommodating persons with disabilities in their respective graduate program. Graduate students with disabilities (for example, chronic illnesses, mental health conditions, mobility impairments) are strongly encouraged to register with Accessible Education Western (AEW), a confidential service designed to support graduate and undergraduate students through their academic program. With the appropriate documentation, the student will work with both AEW and their graduate programs (normally their Graduate Chair and/or Course instructor) to ensure that appropriate academic accommodations to program requirements are arranged. These accommodations include individual counselling, alternative formatted literature, accessible campus transportation, learning strategy instruction, writing exams and assistive technology instruction. Students seeking accommodation must contact Accessible Education ([aew@uwo.ca](mailto:aew@uwo.ca))

### **viii) Religious Accommodation**

Students should consult the University's list of recognized religious holidays (other than statutory holidays), and should give reasonable notice in writing, prior to the holiday, to

the Instructor and an Academic Counsellor if their course requirements will be affected by a religious observance.

#### **ix) Contingency Plan**

Although the intent is for this course to be delivered in-person, should any university-declared emergency require some or all of the course to be delivered online, either synchronously (i.e., at the times indicated in the timetable) or asynchronously (e.g., posted on OWL Brightspace for students to view at their convenience), the course will adapt accordingly. The grading scheme will **not** change. Any assessments affected will be conducted online as determined by the course instructor.

#### **x) Gender-Based and Sexual Violence**

Western is committed to reducing incidents of gender-based and sexual violence and providing compassionate support to anyone who has gone through these traumatic events. If you have experienced sexual or gender-based violence, either recently or in the past, you will find information about support services for survivors, including emergency contacts at:

[https://www.uwo.ca/health/student\\_support/survivor\\_support/get-help.html](https://www.uwo.ca/health/student_support/survivor_support/get-help.html)

To connect with a case manager or to set up an appointment, please contact [support@uwo.ca](mailto:support@uwo.ca) or call 519-661-3568.

#### **xi) Graduate - Examinations & Attendance**

Any student who, in the opinion of the instructor, is absent too frequently from class or laboratory periods in any course will be reported to the Dean of the Faculty offering the course (after due warning has been given). On the recommendation of the department concerned, and with the permission of the Dean of that Faculty, the student will be debarred from taking the regular examination in the course. The Dean of the Faculty offering the course will communicate that decision to the Dean of the Faculty of registration.

#### **xii) Electronic Devices in Exams**

Electronic devices of any type will not be permitted during the Midterm Test and/or Final Exam in this course (unless required for accessibility reasons based on an approved accommodation request from Accessible Education).

#### **xiii) Electronic Devices in Classrooms**

The in-class use of electronic devices (other than for instructor-approved in-class uses) is expressly prohibited. Students found guilty of disrupting the class with electronic devices will be asked to leave the class and may be subject to disciplinary measures under the Code of Student Conduct.

#### **xiv) Plagiarism Detection Software Usage**

All required papers may be subject to submission for textual similarity review to the commercial plagiarism detection software under license to the University for the

detection of plagiarism, which includes AI writing detection tools. All papers submitted for such checking will be included as source documents in the reference database for the purpose of detecting plagiarism of papers subsequently submitted to the system. Use of the service is subject to the licensing agreement, currently between The University of Western Ontario and Turnitin.com (<https://www.turnitin.com/>).

**xv) Computer-marked Multiple-choice Tests or Exams**

These may be subject to submission for similarity review by software that will check for unusual coincidences in answer patterns that may indicate cheating.

**xvi) Protection of Online Content**

The instructor of this course owns the intellectual property of all lectures and lecture materials. Even when such lectures and lecture materials are posted online, students are not to post lectures or lecture materials to any other websites or platforms or use the lecture recording or materials for any other purpose without the instructor's consent.
